Toddler Time, for children between the ages of 12 and 26 months of age and a parent or caregiver is facilitated by Merri Kapiloff, a professionally trained and experienced Child Life Specialist. Classes consist of a mix of arts and crafts, music, songs, stories, finger plays, indoor and out door play, etc. Time is also set aside each week for discussions on topics of special interest to the parents of toddlers.

You and your child should dress comfortably and bring a smock and drink. We will provide snack.

The fee for the 8 classes is \$160.00. A sibling discount is available (call for details). Payment in full must accompany the attached registration form. There are no refunds and only classes cancelled by the Toddler Time program will be rescheduled. There are no individual make up days for vacation, illness or missed classes. All classes are subject to minimum and maximum enrollments and are filled on a first come, first served basis.
